

Cannock Sound Hire

Description:

As a company we offer a wide range of audio, light and staging services tailored to the needs of the live event industry. Our manned PA and light hire systems range from conference packages to complex concert systems for live bands.

We also offer a large selection of stages for any event. These start from simple drum risers / rolling risers to catwalks, even right up to larger theatre stages for larger scale productions. We use LiteStructure Litedeck for our modular staging. Our outdoor stages are suited for large display events up to large outdoor concerts. We are very adaptable with our staging and can alter any stage to suit your purpose.

We are located in Cannock, Staffordshire which makes us ideal for any event throughout the Midlands. We pride ourselves in the quality of our work and the professional manner in which we operate.
